WAVESTONE

A business environment marked by growing confidence

Growth firmly driven by digital and innovation

- > the customer journey, new ways of working, modernization of the public sector, new business models
- > the internet of things, cybersecurity, artificial intelligence

Especially promising sectors

- > financial services, manufacturing, energy, public

Increasingly large projects

- > scale-up, increasing number of M&A operations

...but recruitment and talent retention is becoming a major theme

Our priorities for the 2018/19 fiscal year

1

Human resources and operational performance

2

Strengthening of Wavestone's brand in the market

3

Key market transformations

Bank of the future

Energy transition

Autonomous vehicles and new forms of mobility

Modernization of the public sector

4

International

Acquisition of Xceed Group in April 2018

A consulting firm that specializes in leading **IT transformation** programs for **major banks and financial institutions**

First operational **synergies** (contracts for the first joint projects are now signed)

Integration is **on track**

- > Despite of a slowdown in Xceed's activity over the period
- > Gathering teams in the same offices (relocation is complete in both New-York and London)
- > Brand harmonization (switchover to the Wavestone brand completed since mid-September)

60 employees
(London and New York)

2017 consolidated revenue:
£13.3m*
(about €15.3m)

Adjusted 2017 EBITDA
greater than 20%

Price of £11.5m (EV) plus an
earn-out of up to £5m

Continued expansion of the workforce, but increasing concerns over staff turnover

/ A solid recruitment picture

- › in line with the firm's roadmap (of more than 600 hires)
- › despite an increasingly competitive labor market

/ An upturn in staff turnover rate

- › 21% on a full-year equivalent basis
- › a clear area of focus in the coming months

/ 2,825 employees at June 30, 2018 (including Xceed)

- › compared with 2,793 at March 31, 2018

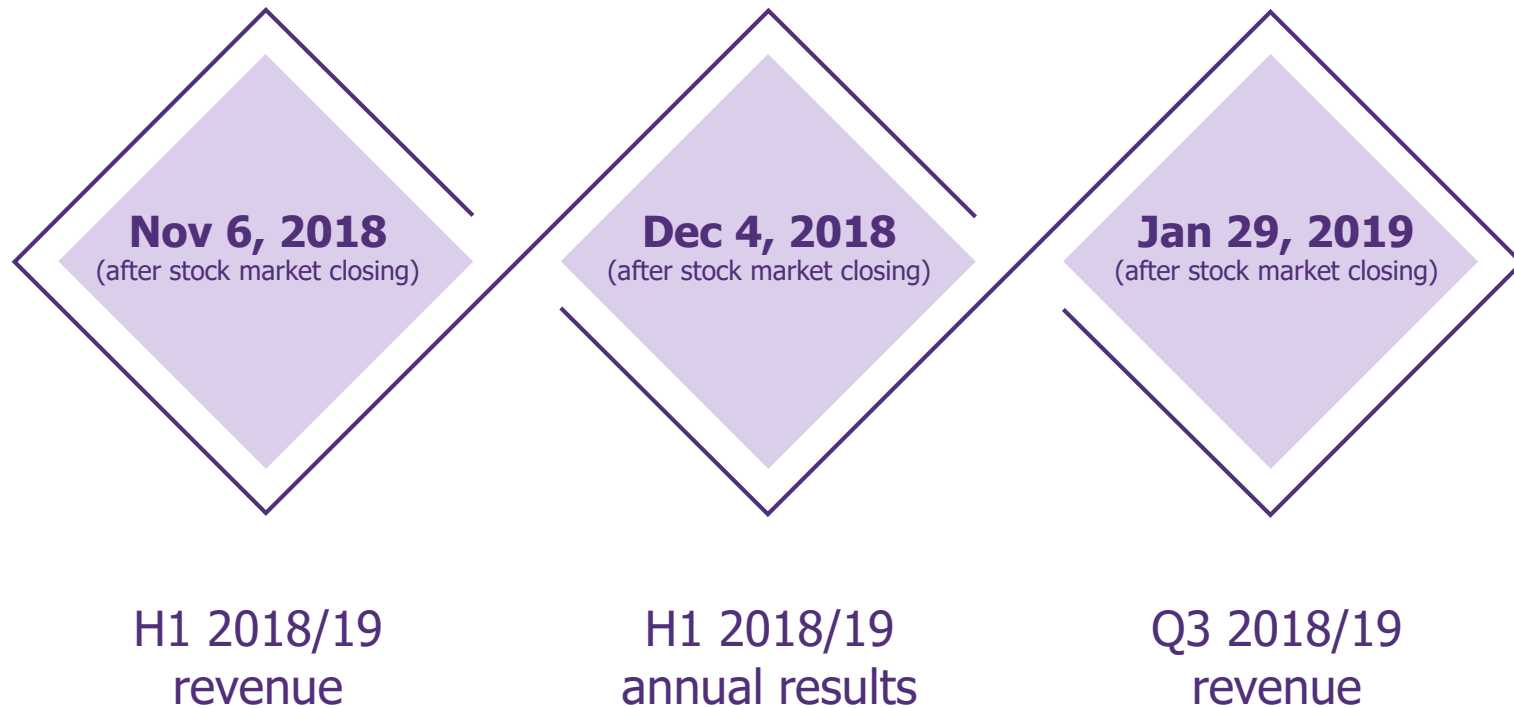

Confirmation of 2018/19 objectives

- / A solid and better than expected start to 2018/19
- / Q2 may prove more challenging
 - > staff turnover must be brought back under control
 - > a risk of a decline in activity levels during the summer and immediately after
- / Annual financial targets confirmed
