Revenue target exceeded; +9% organic growth over the 2023/24 fiscal year

Revenue in €m Audited data¹	2023/24	2023/24 excluding Q_PERIOR and Aspirant Consulting	2022/23	Total change	Change at constant scope ² and on a constant forex basis	2023/24 pro forma ³
12-month total	701.1	586.9	532.3	+32%	+9%	943.8

¹ auditing of the accounts is complete, and the auditors are in the process of issuing their report. The 2023/24 pro forma accounts are unaudited; an ad hoc report from auditors will be incorporated in Wavestone's 2023/24 Annual Financial Report

12-month revenue on total scope: €701.1m

- up +32%, equivalent to +9% organic growth
- unfavorable working day impact standing at -1.6%

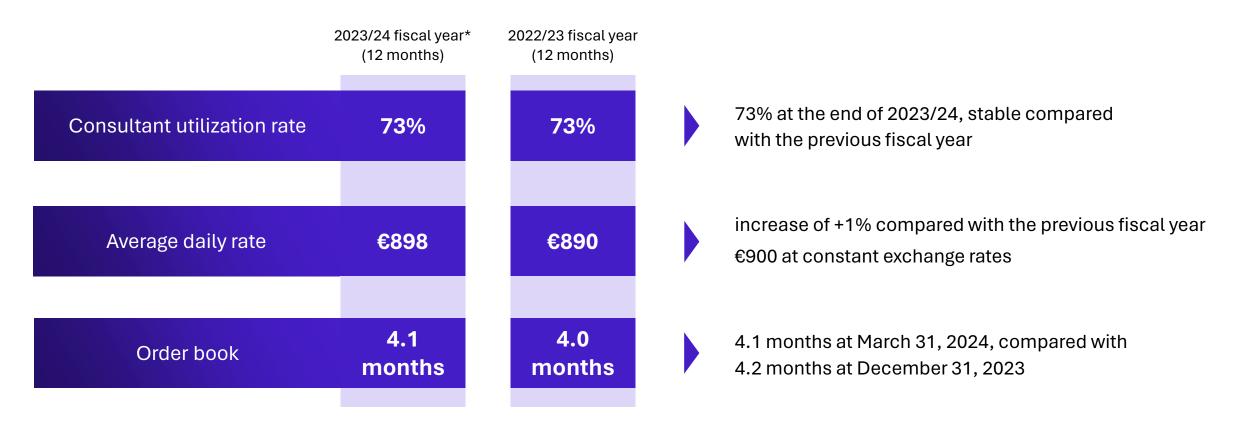

12-month revenue excluding Q_PERIOR and Aspirant Consulting: €586.9m

- exceeding the annual revenue target of €580m
- 12-month revenue pro forma: €943.8m

² excluding PEN Partnership, consolidated since August 1, 2022; Coeus Consulting since October 1, 2022; Q_PERIOR since December 1, 2023; and Aspirant Consulting since February 1, 2024

³ the 2023/24 pro forma accounts have been calculated as if the acquisitions of Q_PERIOR and Aspirant Consulting had taken place on April 1, 2023

Consultant utilization rate stable at 73% in 2023/24; sales price up by +1%

^{*} these indicators relate to Wavestone's scope excluding Q_PERIOR and Aspirant Consulting: Wavestone plans to deploy consolidated operating indicators (except order book) across the entire new firm from Q1 2024/25.

Caution maintained on recruitment; stable staff turnover

• Stable staff turnover rate over the past quarter

- 14% over the fiscal year (excluding Q_PERIOR and Aspirant Consulting)
- compared with 16% over the previous fiscal year

Moderate pace of recruitment maintained at the start of the 2024 calendar year

- due to the still uncertain economic environment
- ~800 new employees over the whole of the 2023/24 fiscal year (excluding Q_PERIOR and Aspirant Consulting)
- on Q_PERIOR side, cautious recruitment policy as well and staff turnover at 11%

5,894 employees at March 31, 2024

- including 1,422 from the combinations with Q_PERIOR and Aspirant Consulting
- compared with 4,406 at the end of 2022/23 fiscal year

Q_PERIOR's business activity in line with plan

- Q_PERIOR facing context similar to the one of Wavestone
 - resilient demand in the sectors of Insurance, Travel & Transportation and Energy helps to limit the effects of a relatively weak economic environment in Germany
- Q4 consultant utilization rate in line with the last months of 2023 and company's plan
 - but with a marked slowdown in growth
- On the overall, for the period April 2023 to March 2024,
 Q_PERIOR's business plan achieved:
 - revenue: €333.4m
 - recurring operating profit: €31.5m
 - recurring operating margin: 9.5%
 - IFRS figures

Profitability target (excluding Q_PERIOR and Aspirant Consulting) overachieved

Wavestone's key achievements in CSR in 2023/24

Re-enchanting client satisfaction

- making it a priority within the firm and tackling weaknesses expressed by clients
- resulting in a strong increase of our NPS®, at 73, compared with 45 a year earlier
- result of actions taken on weaknesses, but also potential effect of the switch from an online survey to face-to-face interviews

Acceleration of our responsible consulting approach

across 387 projects, way above the objective of 300

High position in the Great Place to Work® rankings

- 1st place in France, Top 25 for UK Large Companies, and certification of all offices...
- …low turnover rate, below our objective of 15%…
- ...however, decrease in the employee engagement index at 70, below the objective of 74

9 over 10 objectives achieved or exceeded in 2023/24

A business environment still challenging for 2024/25 fiscal year

- Demand under pressure
 - sluggish business environment
 - economic and geopolitical uncertainties
- continued wait-and-see attitude on new consulting expenditures
- Some sectors particularly impacted

banking, retail, industry and the public sector (in France)

 Need for an intense and agile business activity, focused on the resilient sectors...

insurance, energy, transport, luxury & beauty and life sciences

...and the most active topics

IT infrastructure, cybersecurity, SAP consulting, Al

Al, a rising demand

- Limited volume for the time being ~€20m in 2023/24
- Numerous projects
 over ~50, many of them just starting

Our priorities in 2024/25

1.

Making the combination between Wavestone and Q_PERIOR a success capitalize on the first months' good momentum

2

Maintaining an unwavering intensity of business development mitigate the effect of the uncertain economic environment

3

Prioritizing profitability over growth until visibility improves moderate recruitment plan, of about 1,000 hires across the entire firm

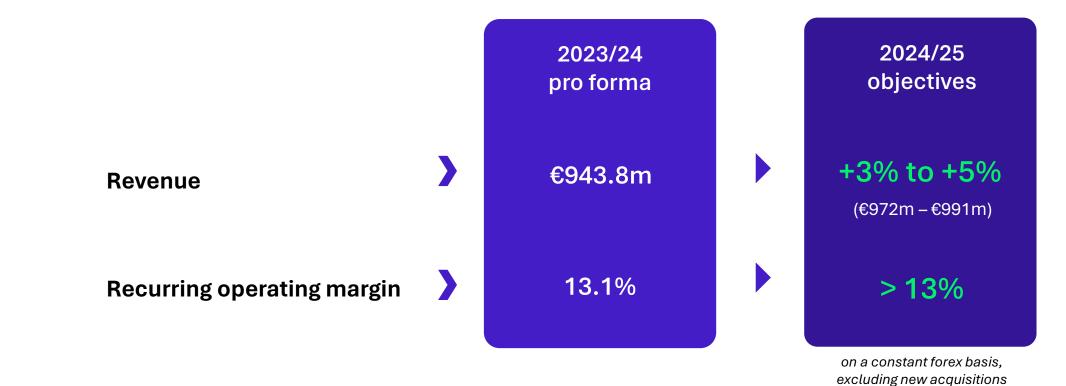

And

Further planning of the General Management's succession

dedicated Nomination Committee created in April 1, 2024

2024/25 financial objectives
